DESCRIPTION: Dr. Albert Yeh and his assistant are accused of writing hundreds of illegal prescriptions for all kinds of drugs. The Arizona Attorney General's office calls it a massive pill pushing scheme for insurance money. Dr. Yeh worked out of his office only on Tuesdays and he squeezed as many patients in as he could. Federal agents say he had nearly 200 patients scheduled in a six hour time frame. A year long investigation shows that Yeh was prescribing drugs without giving his patients any medical evaluations.
